ANTI-SLAVERY MOHOMES IN CALIFORNIA

There is in California a colony of Mohommes, who are polygamous. They have just held a meeting in San Francisco, at the time of the Conference of the Reorganized Church of Jesus Christ of Latter Day Saints. The San Francisco Mohommes say that their numbers in California and Nevada are, as we are, Members, 375; elders, 48; saints, 117; and their children blessed during the year, 100. Their meetings are held in Sacramento, and at San Bernardino, Los Angeles, and Sacramento branches next, 33 and 35.

Mr. T. Spencer Barnes, the author of some anti-metaphysical works which have found a wide circulation, and recently a reading in London, has just been admitted to the lecture chair in the University of St. Andrews. Mr. Barnes was formerly a student in this college.

FURNITURE,

A woman was found dead in her bed, lying at Bowdoin, and the doctor said that she died from the effects of the shock of violence, a large bullet of which was found in the room.

It is said that the news of the death of Jules Gérard caused a slight stir at the office of the Post Office, Philadelphia, in every respect, durability, and the effect of the material and the workmanship are equal in the market. It is made to order, altered, and repaired.
